25X1C Attached is a consolidated report on the results of certain US-supported  collection efforts in the field of guided missiles. The IAC has already discussed generally the background and results of these tests (IAC-M-234, item 4; IAC-M-260, item 5 b). This more detailed report, which only recently was made available to the IAC Secretariat in a limited number of copies, is therefore circulated to the members for information only, pursuant to a commitment made at the time this project was last discussed by the IAC (IAC-M-260, item 5 b).
